Science-Backed Personal Care

GENTLE DAILY CLEANSER

Barrier Cleanse Gel

A barrier-supporting gel cleanser with ceramides and amino acids — cleanses without stripping the skin.

Key Benefits

- Removes impurities and excess oil
- Maintains skin's moisture barrier
- Suitable for daily use
- Non-stripping, pH-balanced

Ingredients

Aqua, Cocamidopropyl Betaine, Glycerin, Ceramide NP, Amino Acid Complex, Allantoin.

TWO-PACK VALUE

Barrier Cleanse Gel — Duo Pack

Two-pack of the daily Barrier Cleanse Gel — built for routine continuity at home and travel.

Key Benefits

- Two of our daily cleanser
- Routine continuity
- Ideal for travel and gifting
- Barrier-friendly formula

Ingredients

Same formulation as Barrier Cleanse Gel.

HYDRATION · BARRIER REPAIR

Ceramide Barrier Moisturizer

Lightweight ceramide moisturiser that visibly strengthens the moisture barrier and locks in long-lasting hydration.

Key Benefits

- Strengthens the moisture barrier
- Long-lasting hydration
- Lightweight, non-greasy finish
- Soothes dryness and tightness

Ingredients

Aqua, Glycerin, Ceramide NP / AP / EOP, Niacinamide, Cholesterol, Squalane.

BROAD-SPECTRUM UVA/UVB**Aqua Gel Sunscreen SPF 50**

Broad-spectrum SPF 50 aqua gel sunscreen — invisible finish, non-greasy, and layers under skincare and makeup.

Key Benefits

- SPF 50 broad-spectrum protection
- Lightweight aqua-gel finish
- No white cast
- Layers under makeup

Ingredients

Aqua, Hybrid UV Filters (UVA + UVB), Niacinamide, Hyaluronic Acid, Glycerin.

SENSITIVE SKIN**Ceramide Amino Acid Gel Cleanser**

An ultra-mild gel cleanser with ceramides and amino acids — built for sensitive, reactive and post-procedure skin.

Key Benefits

- Ultra-gentle daily cleansing
- Maintains barrier integrity
- Suitable for sensitive skin
- Removes SPF and light makeup

Ingredients

Aqua, Coco-Glucoside, Glycerin, Ceramide NP, Amino Acid Complex, Panthenol.

BRIGHTEN · BALANCE · RENEW**Niacinamide Face Serum**

10% Niacinamide face serum with Zinc — visibly brightens, balances oil and refines the appearance of pores.

Key Benefits

- Visibly brightens skin tone
- Balances excess oil
- Refines the appearance of pores
- Layer-friendly lightweight texture

Ingredients

Aqua, Niacinamide 10%, Zinc PCA, Hyaluronic Acid, Allantoin, Panthenol.

SENSITIVE · POST-PROCEDURE

Hypochlorous Acid Mist

Face and body mist with hypochlorous acid (HOCl) — designed for post-procedure, acne-prone and reactive skin.

Key Benefits

- Calms post-procedure and reactive skin
- Targets surface bacteria
- Refreshing pH-balanced mist
- Safe for face, body and scalp

Ingredients

Purified Water, Hypochlorous Acid (HOCl), Sodium Chloride.

ADVANCED REPAIR

Peptide Repair Serum

A multi-peptide concentrate that visibly smooths fine lines, supports firmness and reinforces overnight recovery.

Key Benefits

- Visibly smooths fine lines
- Supports firmness and elasticity
- Boosts overnight skin recovery
- Lightweight, layer-friendly

Ingredients

Aqua, Matrixyl 3000, Copper Peptides (GHK-Cu), Hyaluronic Acid, Niacinamide.
